

MOdelling Therapies for Improved Futures

Children's Therapy Workforce Survey

We are looking for
**Occupational Therapists,
Physiotherapists, Speech
and Language Therapists,**
and **Therapy Assistants**
to take part in our survey

What will taking part involve?

- The survey will ask you questions about what you think about the way therapy is currently delivered and your thoughts on working in an integrated, whole system approach.
- It will take about 20-30 minutes to complete
- **This survey will inform national workforce modelling to meet the needs of children and young people with special educational needs and disabilities.**
